Gracing the Opening Pages of Our Yearbook Are Two of Waianae High's Outstanding Students: Mr. and Miss Ke Ahe Kai James Corn and Patricia Okabe

When asked to describe himself in one word, "kind" was his reply and everyone who knows Jimmy Corn will have to agree with him. Jimmy is an outgoing, sensitive, and warm individual. His talent for making friends and his past achievements here at Waianae High School have won for him the coveted title of Mr. Ke Ahe Kai.

Athletically versatile, Jimmy has participated in football, wrestling, and track proving himself outstanding in all fields. Jimmy is a real team player and has always displayed sportsmanship, determination, and above all, pride in all of his undertakings. As a senior Jimmy was awarded the honor of being chosen one of the football captains.

Leadership is certainly one of Jimmy's excellent qualities as his Junior class indicated by electing him as class president. Jimmy has also served as class representative in addition to having been a member of the Lettermen's Club, Hawaii Upward Bound, and the Drama Club.

Our Mr. Ke Ahe Kai has also proven himself on stage as he sang his way through the drama club's production of "Swinging High". Jimmy's multiple interests will certainly insure for him success in the career of his choice.

Pat Okabe, a very friendly young lady and this year's choice for Miss Ke Ahe Kai, has always been active in a wide array of activities.

In her freshman year, she served as a committee member of the Freshmen Social as well as treasurer of the Science Club. In her sophomore year she helped to lead her class as class secretary, but did not neglect the Science Club as she served as secretary for the year. She was also a member of the Senate, PAAC, publicity committee, and a number of other sophomore committees.

Again helping to lead her class, she was elected to the office of treasurer in her junior year. She also strived to produce a successful Junior Prom by working on the Junior Prom committee. Homecoming of that year saw her working long and hard on the Junior class float, which was part of her duties as a member of the float committee.

Displaying confidence in Pat's leadership abilities, her Senior class voted her in as class president. She has represented her school by visiting other schools as part of the interschool relations committee. In anything Pat has done she has brought pride to Waianae High School. It is with confidence that we say Pat will enjoy many more successes and will forever be a source of pride for Waianae High.

Administrative Staff

To function efficiently Waianae High School needs the skilled talents of the office clerical staff. Although the paper work tends to pile up, and nerves are often high-strung, these people work their hardest to keep the school going.

At Waianae High School, the key to knowledge lies behind the library doors. Shelves of books are kept neatly with other various audio-visual tools to assist in learning. Class History

Proudly wearing their class colors of green and gold is the 1972 Senior Class. Standing on the threshold of graduation, they looked back at Waianae High School with mingled emotions of joy and sadness. Memories of happy days forever locked in the past drifted into their thoughts as they recalled their four years here at Waianae.

Who could ever forget their freshman year at Waianae. Scared and perhaps a little unsure of themselves, they worked hard to have a good year and produced a real way-out social, In-a-ga-da-da-vida.

"Someday We'll Be Together" was the theme of the entire class, for here was a class who believed in unity.

In their Junior year they proved themselves to be competent and enterprising. They had two money-making projects which included cleaning up the football field and a shave ice booth which was certainly a welcome treat for all. They had a right that year to say, "I'm So Proud", and that is just what they did, for "I'm So Proud" was the theme of a very successful and romantic Junior Prom.

Perhaps Senior year, and rightly so, proved to be the most memorable year of all. It was a year full of bitter-sweet memories for everyone in the Class of '72. The Seniors' choice of "Precious and Few" as the theme for their Senior Ball and Banquet revealed their realization that the joyful intimacies of youth are indeed "Precious and Few", but now it is no longer time to look back. Graduation marks a new beginning and as they sing their class song, "Somewhere", each individual mind is filled with secret hopes and fears, but all hearts beat as one and share the common belief that there is indeed "A Place For Us."

Somewhere

There's a place for us,
Somewhere a place for us.
Peace and quiet and room and air
Wait for us
Somewhere.

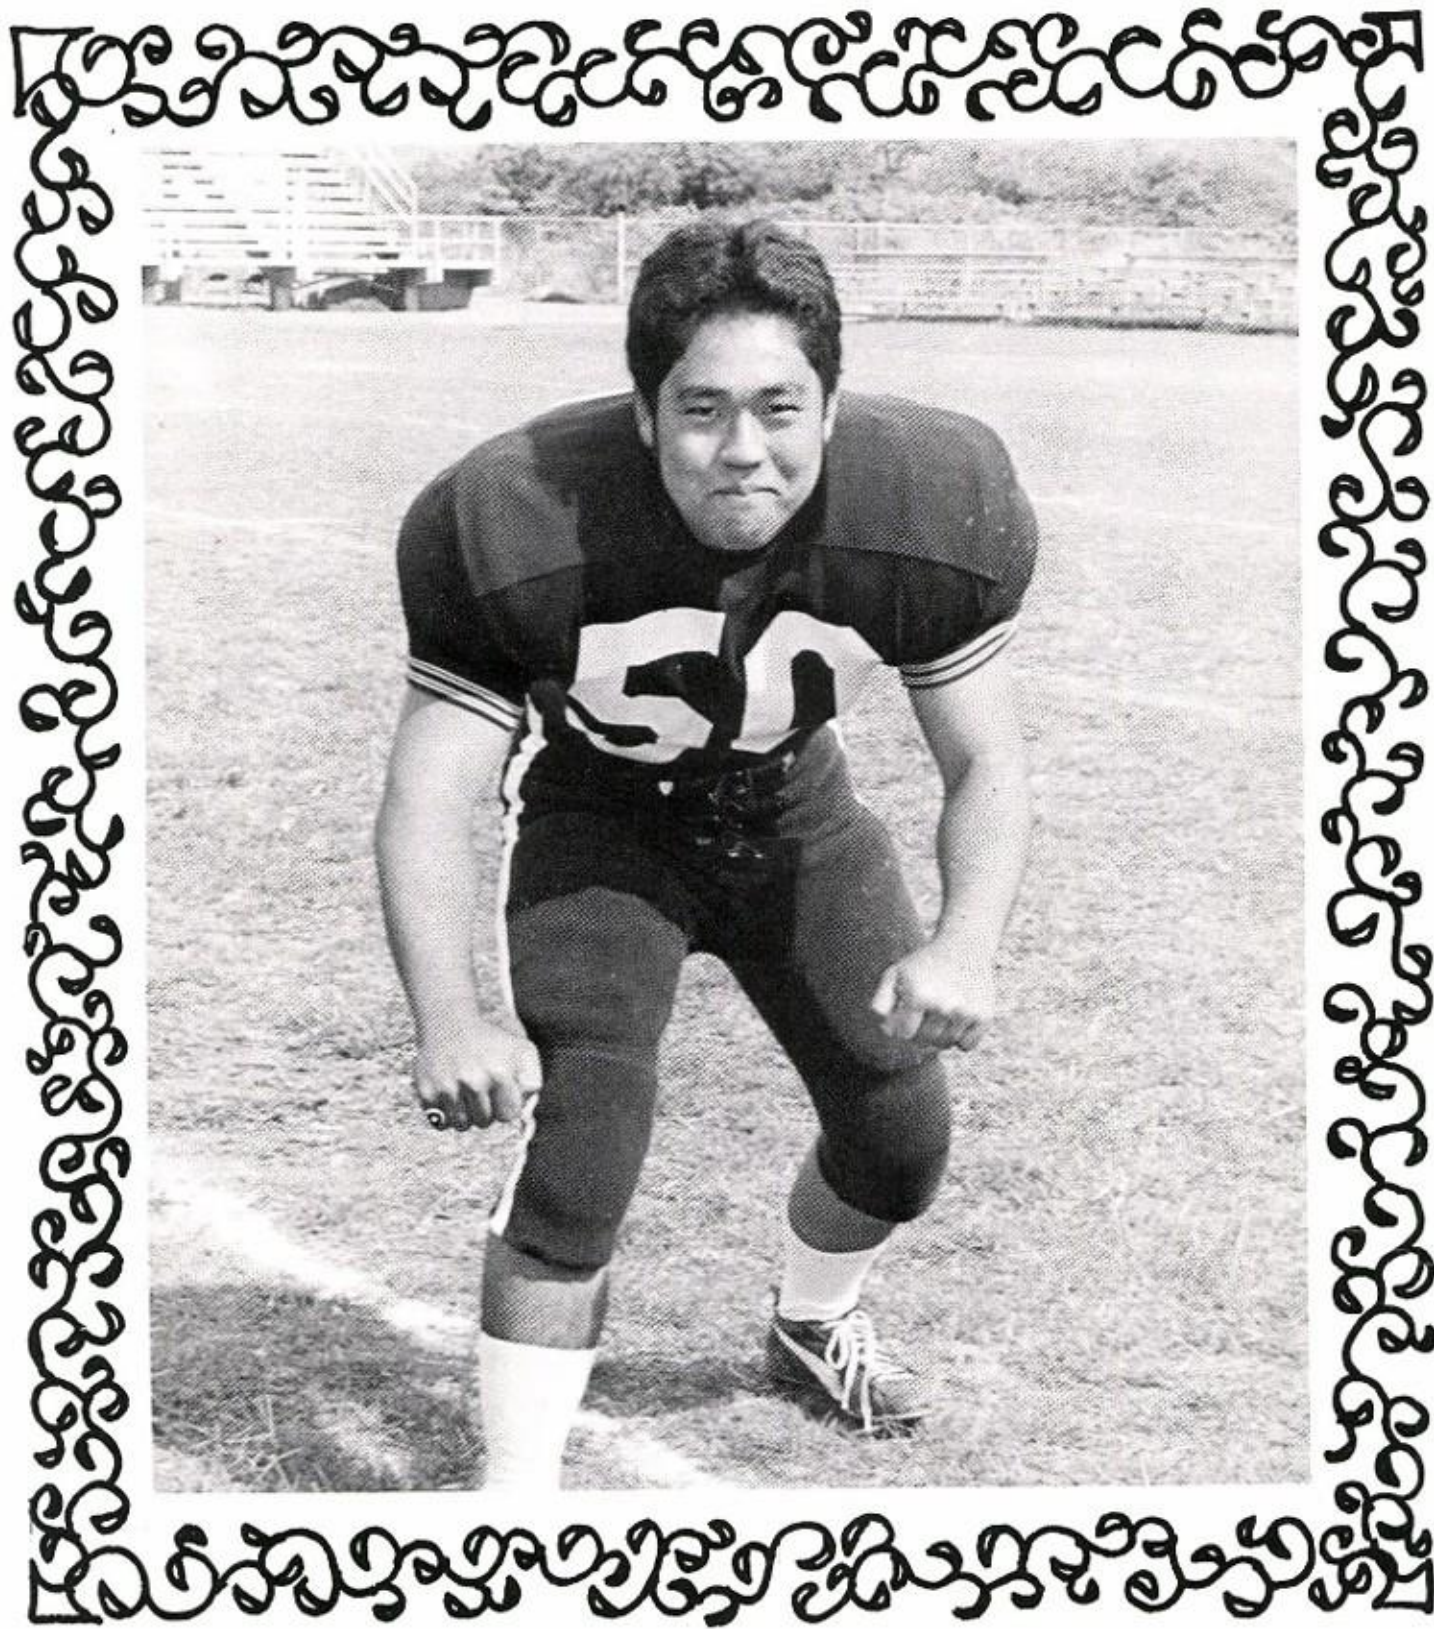

There's a time for us,
Someday a time for us,
Time together with time to spare,
Time to learn, time to care
Someday!

Somewhere
We'll find a new way of living,
We'll find a way of forgiving
Somewhere,
Somewhere ...

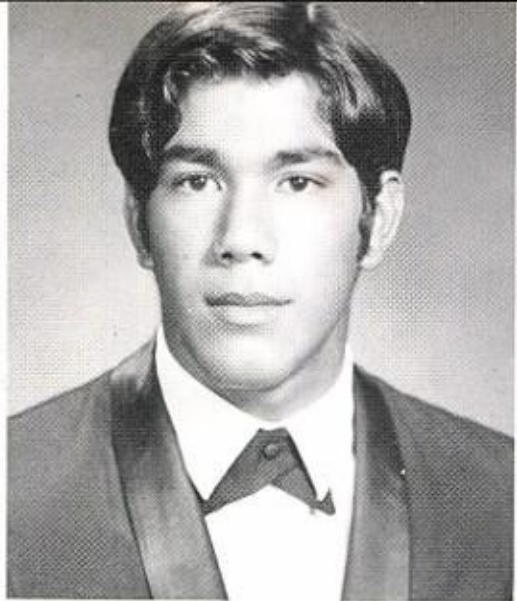

There's a place for us,
A time and place for us.
Hold my hand and we're halfway there.
Hold my hand and I'll take you there
Someday,
Somehow,
Somewhere!

Senior Dedication

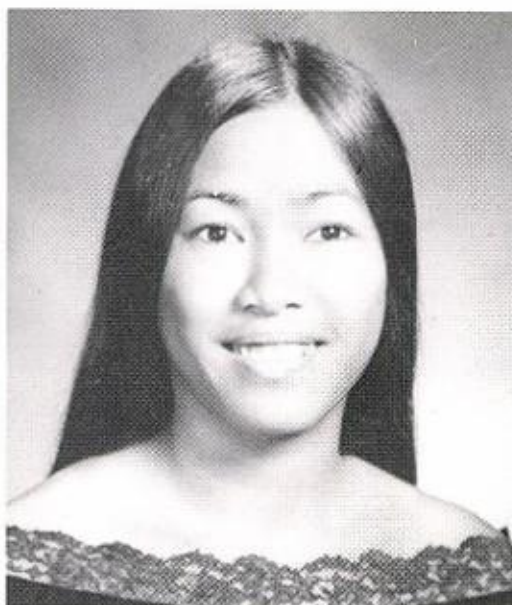

Dayne Yoshimura

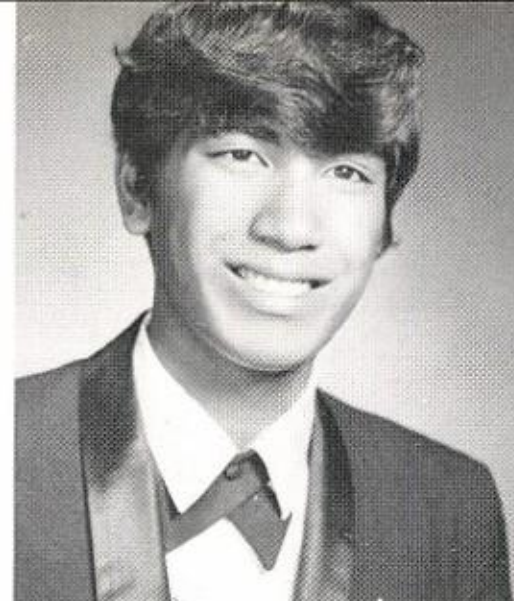

Sometimes it's hard
To understand
Why some must go so young,
Before they've time
To dream their dreams,
Before their songs are sung,
Could there be greater
Work for them,
Or possibly release
From something where
They cannot find
An answer to their peace?
It must be that our lives
Are planned,
"We have a time to go"-
May faith help us
To understand
What we can't see or know

Varsity Football

Waianae has always been proud of their Varsity football team and this year is no exception. Plagued with injuries and hard luck, this year's team fought against the odds and finished with a 3-3 and 1 record. The competition in the Western division was tough and the Searider's proved to the state that they were one of the best. We look forward to next year's team as Waianae will return to try and capture another O.I.A. CHAMPIONSHIP.

JONATHAN YASUDA (Head Coach)

Long hours of hard work proved beneficial to this year's team as they were tough competitors in the OIA west. The boys played their hearts out in every contest and were always a threat to their opponents. With more than half of the lettermen returning, Waianae can look forward to an OIA title.

Girls' Volleyball

Volleyball, a relatively new sport here at Waianae, has not gained the wide-spread recognition it deserves. The girls practiced daily at the Waianae gym. This season the team was coached by Miss Bruns and assisted by Mrs. Ede, together they strived to bring out the best in each girl.

Wrestling

Although young and inexperienced, Waianae's matmen did an outstanding job by qualifying ten for the State finals. Emotions and nerves as well as muscles were often strained to the limit because of the high physical and mental demands of the sport of wrestling, but through it all each boy kept his cool and always performed at his best. With only five seniors graduating, Coach Bebeau is anticipating many more successful seasons.

Boys' Cross-Country

Two miles is a long way to run in anybody's book, but when you have to run two miles over hills, in the rain, through the mud and past stagnant reservoirs, you're really performing an act of bravery. Brave was our boys as they persevered for a successful season.

KNEELING, L to R: Joe Nahoopii, Clayton Akana, Steven Suyeyoshi, Anthony Acosta. STANDING, L to R: Stanley Peeples, David Narcorda, Stewart Samuels, Bud Kahikina, John Kormanik.

Girls' Cross-Country

Run, Run, Run was the name of the book used by Coach Bebeau to train her team and run, run, run was what these girls did. Training for a mile and a half run was really a new experience for these girls, but they trained hard and faithfully. They could be seen running on the highways, on the beaches and in and out of buildings from Makaha to Maile. Congratulations on a job well done girls.

One of America's favorite sports is golf. It is a game which involves great concentration and skill. Coached by Mr. Tatsumi Tanaka, Waianae was ably represented by our golf team. These five boys chipped, drove, and putted their way through a fine season.

Varsity Baseball

This year's baseball team is a promising one as judged by their pre-season record of four wins, one loss, and one tie. The team avenged their one loss to Kamehameha by defeating the Warriors 6-5 a week after Waianae's initial loss. The boys' confidence and determination are infectious as we all feel they are on their way to the top.
